

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 2, 1995

SUBJECT: **SB 1070**

This bill, if enacted, will remove the Board of Accountancy from the administration of the Division of Regulatory Boards within the Department of Commerce and Insurance.

The bill authorizes the board to fix the compensation of the executive director, investigators, and other staff of the board without the approval of the Commissioner of Personnel.

The fiscal impact from enactment of this bill is estimated to be an increase in state expenditures to the extent the Board of Accountancy increases the salary of existing staff and hires additional staff that would not have been hired in absence of the bill. Such increase in state expenditures cannot reasonably be determined but can reasonably be estimated to exceed \$100,000.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
